## TERMS OF HIRE

The following are the terms on which the Edinburgh Society of Musicians makes its premises at 3 Belford Road available for hire for teaching, rehearsals, performances and other uses. In agreeing to hire the premises, hirers confirm that they are aware of these terms and that they undertake to abide by them.

There is no janitor at Belford Road: hirers are trusted with keys that they need to collect from and return to the music shop of Rae MacIntosh in Shandwick Place.

### *The Society makes available to hirers*

Use of those parts of the premises that are needed for the activities specified by the hirer (minimum period of hire: 2 hours);

Tea and coffee making facilities;

A microwave for heating food;

A stairlift for those who have mobility issues: but in general the building is **not** wheelchair accessible.

Provide or permit amplified music.

### ***Hirers must***

Use the premises only for the purposes specified at the time of booking;

Adhere in all respects to the protocols in force regarding the use of the premises, which are annexed to these Terms of Hire and are available on the premises;

## **ANNEX**

### **Revised Hirings Protocol –health and safety requirements**

***While Scottish Government Covid guidance relating specifically to event venues like the Society has now been withdrawn, users must still respect the general rules regarding health, safety and hygiene that are set out below.***

#### **Risk Assessment**

The Society has completed a Full Assessment of health and safety risks associated with its premises. In all cases, a “best practice” benchmark has been adopted in framing this Protocol.

#### **Hirers’ general responsibility**

Hirers are reminded that the management of health, safety and welfare is a shared responsibility and that, since the Society does not provide a staffed presence during hirings, the hirer is, for the purposes of the Health and Safety at Work Act, a person who has control of the premises. As such, the hirer is subject to the general duty to take reasonable measures to ensure the safe operation of the premises during the hire, and must bring to the attention of the Society any

matter which requires action by it as owner of the premises. To check compliance with the Regulations and Guidelines, , the Society reserves the right, at their sole discretion and without prior warning, to enter the premises at any time during the currency of a hire.

Hirers who do not comply with their legal obligations and who thereby incur additional costs for the Society may be billed in respect of those additional costs

### Signage

Users must comply with all signage relating to exit routes, hygiene and other matters, and should not enter areas which are marked as being off limits during the hire.

### Health and safety

- Anyone taking ill within the facility must leave the premises immediately accompanied by a responsible person and seek medical help and advice from NHS 24.
  
- The stair lift should be used only by people with disabilities, for essential purposes, and the stair area should be kept clear of other persons when the stair lift is in use, unless the user of the stair lift requires assistance by a carer.
  
- Everyone on site MUST be familiar with the evacuation process as per the signage throughout the building.
  
- In the event of fire, or other danger to life, it is the responsibility of the hirer, or in the hirer's absence, of the person designated by the hirer for this purpose,

To require everyone on the premises to leave by the indicated exit routes and to wait at the assembly point on the pavement outside the building;

To check that evacuation is complete;

In the case of a minor fire, and if safe and appropriate, to use the fire extinguishers;

To call the fire service;

To notify the Society immediately, via the Commercial Director (07491 638 462), or in his absence, via one of the following numbers:
